

# ELIT 2017

<http://www.electronics.lnu.edu.ua/en/elit-2017/main-eng.html>

9<sup>th</sup> Ukrainian-Polish Scientific and Practical Conference

**“Electronics and Information Technologies”**

will be held on August 28–31, 2017

## **Organizers**

Ivan Franko National University of Lviv (Ukraine)

G.V. Karpenko Physico-Mechanical Institute of the NAS of Ukraine (Ukraine)

Western Scientific Center of the NAS of Ukraine and Ministry of Education and  
Science of Ukraine

Scientific Center of Polish Academy of Sciences in Kiev (Poland)

Lublin University of Technology (Poland)

Lodz University of Technology (Poland)

Bohdan Dobrzanski Institute of Agrophysics, Polish Academy of Sciences (Poland)

## Conference topics

### Information Systems and Technologies

- Methods and Tools for Information Processing
- Applied Information Technologies and Systems
- Geo-Information Technologies and Systems
- Web Technologies
- High Productivity Computing Systems
- Microprocessor Information Systems
- Computer modeling
- Monitoring and Diagnostics of Media and Materials Parameters

### Microelectronics and Nanoelectronics

- Materials for Electronics
- Semiconductor and Optical Electronics
- Nanoplasmonics
- Electronic Systems and devices
- Modeling of Electronic Phenomena, Processes and Systems

## Conference languages

Ukrainian, English, Polish.

Conference program includes oral plenary talks (up to 30 min.), regular oral talks (up to 30 min.) and posters.

Multimedia projector and poster stands will be available to participants during sessions.

The conference summary meeting will recommend the reports to be published as full-length papers in a peer-reviewed journal:

- Ivan Franko National University of Lviv Scientific Herald;

## Important dates

1. **16.06.2017** – deadline for the abstract submission and the registration of participants via the Conference web page.
2. **03.07.2017** – the Second Announcement and invitations.
3. **31.07.2017** – deadline for conference fee payments.
4. **28.08.2017 9:00 – 11:00** – registration of participants – Department of Electronics, 107 Tarnavskogo str.
5. **28.08.2017 11:30** – departure to the conference site (Chynadiyevo, Trans Carpathian region).
6. **28.08.2017 18:00** – arrival to the conference site (“Karpaty” Sport and Recreational Facility, Chynadiyevo, Trans Carpathian region).
7. **28.08.2017 19:00** – welcome dinner.
8. **29.08.2017 10:00 – 13:00** – plenary session.

9. **29.08.2017 14:00 – 17:00** – regular session.
10. **30.08.2017 10:00 – 12:00** – regular sessions.
11. **30.08.2017 12:00 – 18:00** – poster session.
12. **30.08.2017 19:00** – concluding meeting.
13. **31.08.2017 10:00** – departure from Chynadiyevo.
14. **31.08.2017 17:00** – arrival to Lviv.

### **Organizational issues**

Conference fee is **€60** and covers the Conference Proceedings, access to all sessions, travel expenses (travel from Lviv to Trans Carpathian region with return), meals, lodging and social events at the “Karpaty” recreational facility from August 28 to August 31, 2017.

Conference fee should be paid at the registration desk (fee payment receipts can be provided for participants at request).

The destination point for the Conference in the official documents should be mentioned as “Karpaty” Sport and Recreational Facility of the Ivan Franko National University of Lviv.

Social events include excursions to picturesque places of Trans Carpathian region.

The Program Committee will review the submitted abstracts. Authors of the accepted contributions will receive the Second Announcement.

***Should you have any additional question or wishes, please do not hesitate to contact the Organizing Committee.***

### **Additional information**

More details about the Conference are available at  
<http://www.electronics.lnu.edu.ua/en/elit-2017/main-eng.html>

You can as well contact Organizers by phone:

- +38(032) 239 43 29 (prof. Bolesta I.M., Organizing Committee co-chair)
- +38(032) 239 42 24 (assoc. prof. Karbovnyk I.D., Organizing Committee secretary)
- +38(032) 239 41 12 (prof. Polovynko I.I., Dean of the Department of Electronics and Computer Technologies)
- +38(032) 239 42 24 (assoc. prof. Velgosh S.R., Advisory Committee secretary)
