Subject: Opportunities for Visiting lecturers

Dear, Sergii Sidorenko,

Kaunas University of Technology look forward to welcoming **Visiting lecturers** who would like to teach and share their knowledge and experience with the future IT specialists. In addition to teaching, we offer opportunities to build academic connections and to participate in research projects.

Additional information you will find in attached file (Visiting lecturers_Invitation).

We would like to ask you to share this invitation with the community of your University.

This information will also be sent via Embassy of the Republic of Lithuania to the Ukraine.

Thank you for your cooperation.
